CONSTRNMAN: **Nope not at all**
CONSTRNMAN: **Do it slowly**
Jacksontpa: ahh but what if when he starts feeling it he freaks and doesnt want anymore?
CONSTRNMAN: **don't worry. It all works itself out**
CONSTRNMAN: **He won't realize**
Jacksontpa: so he wouldnt know he was getting g right?
CONSTRNMAN: **pretty much**
Jacksontpa: cool would tempt him with something else like x?
CONSTRNMAN: **yup he thinks he is feeling something else**
CONSTRNMAN: **Not sure if your ready to pull it off with a guy or not?**
Jacksontpa: i am ready
Jacksontpa: you give him g and x ?
CONSTRNMAN: **Well cool but it is hot as hell. I know you can be bad so think you would enjoy it**
Jacksontpa: yup
CONSTRNMAN: **Well would explain it more before we went out etc etc**
Jacksontpa: cool
CONSTRNMAN: **So let me know if your up to it and we can go from there**
Jacksontpa: i am up to it that will be hot as hell seeing how long we can keep him out
CONSTRNMAN: **Yup could be for hours. Can do as you please to him**
Jacksontpa: the thing is we run the risk of him never coming out

CONSTRNMAN: I don't bring him in that bad.. Never had that problem

Jacksontpa: cool

CONSTRNMAN: But if your nervous will do it myself. I don't mind. Its fun to me

Jacksontpa: yeh you can administer the drugs i'm not an expert

Jacksontpa: you have a dungeon?

CONSTRNMAN: Nope but a great place to lay out a guy to use

Jacksontpa: cool

Jacksontpa: we just got to get him so fucked up he doesnt realize he is being used

CONSTRNMAN: Yup. Haven't you done that to a point already with guys?

Jacksontpa: yup

CONSTRNMAN: so you know

CONSTRNMAN: But now its 2 on 1

CONSTRNMAN: And open to what your heart desires

Jacksontpa: yup

CONSTRNMAN: cool

Jacksontpa: i agree

Jacksontpa: i want to get a young little cute guy

CONSTRNMAN: great

CONSTRNMAN: Yup. Anyplace you think would be easiest or open?

Jacksontpa: the younger the better.. nope not really i'm not an expert on the bars at all

CONSTRNMAN: cool. well I know a few locations where they are younger and willing to party

Jacksontpa: cool!!!

Jacksontpa: will be hot trying to convince him to go backto your place knowing i am going to load his ass up with cum and he dont know it

CONSTRNMAN: What age you prefer and what do you want to do to him when he is out?

Jacksontpa: as young as possible - fuck him fuck him and fuck him again

Jacksontpa: and use some toys on his hole in between

CONSTRNMAN: what is the youngest you have fucked or raped?

Jacksontpa: 15

Jacksontpa: didnt rape but got to fuck him

CONSTRNMAN: did you force him?

Jacksontpa: no

CONSTRNMAN: That is hot

Jacksontpa: yup an out of townner at the beach never saw him again

Jacksontpa: a yr ago

CONSTRNMAN: Cool..

Jacksontpa: yup

CONSTRNMAN: Did you bring him to your place?

Jacksontpa: no motel room

CONSTRNMAN: Where he was staying?

Jacksontpa: with parents in another hotel

Jacksontpa: at the beach

CONSTRNMAN: cool. I bet he was hot

Jacksontpa: yeh young and smooth

CONSTRNMAN: Was that the first time he was fucked?

Jacksontpa: i dont know

Jacksontpa: neve rknow

Jacksontpa: got to run now man

CargoPantsDude22: hell yeah i was sooo fucked up the whole time
CONSTRNMAN: Excellent. did you go with friends?
CargoPantsDude22: my best friend and my sister
CONSTRNMAN: Good for you. Did you find any trouble while there?
CargoPantsDude22: not too much
CONSTRNMAN: Thats okay. you had fun in other ways
CargoPantsDude22: i love to get hammerd
CONSTRNMAN: Yup. i know. Want to get you hammered while we are hanging one night
CargoPantsDude22: goddamn fuckin computer
CONSTRNMAN: I know it can suck
CargoPantsDude22: what u going to do tonite?
CONSTRNMAN: But I know you love to get hammered. want to get you hammered one night while we are hanging.
CargoPantsDude22: r u gonna get hammerd as well
CONSTRNMAN: Not as much as you. I am not used to being too trashed
CargoPantsDude22: damn :(
CONSTRNMAN: But will party with you anyway like I said
CONSTRNMAN: Love to see you fried and feeling a mess
CargoPantsDude22: hot damn i hope that you dont try and take advantage of me
CONSTRNMAN: Well I was hoping once i had you trashed I probably would
CargoPantsDude22: thats cool i am up for that
CONSTRNMAN: Excellent
CargoPantsDude22: what u wearing right now
CONSTRNMAN: Am wearing boxers
CONSTRNMAN: Well I have to run out of here for awhile
CargoPantsDude22: how come man?
CONSTRNMAN: Will be leaving computer on to download info but won't be here
CONSTRNMAN: Have to stop over at a birthday gathering for a bit
CargoPantsDude22: damn i wanted to talk some more
CONSTRNMAN: Will be drinking and partying a bit while there
CONSTRNMAN: Will you be around later tonight? Maybe you will be hammered and I can come over and visit
CargoPantsDude22: i sure will be what time will you be online
CONSTRNMAN: Hope to be home by 12 the latest so think you could be feeling good by then
CargoPantsDude22: if not i bet that you could help me out
CONSTRNMAN: Yup. I would plan on it. What do you normally drink anyway?
CargoPantsDude22: capt n coke or carona u
CONSTRNMAN: Am a big Capt guy myself
CargoPantsDude22: spit some in my mouth
CONSTRNMAN: Well if your on and your trashed a bit and want to continue I can probably bring some with me and we can party some more
CargoPantsDude22: what else wld u bring
CONSTRNMAN: What do you like?
CONSTRNMAN: Don't have any party favors with me tonight
CargoPantsDude22: damn thats what i was hoping for
CONSTRNMAN: other than some G but no X or anything

CargoPantsDude22: whats G?

CONSTRNMAN: Ghb

CargoPantsDude22: i have never had it

CONSTRNMAN: Well you only need a tiny amount of it but will see later if its cool. The Capt would be fine for me at first or maybe for the night sdo lets see

CargoPantsDude22: are u hard right now

CONSTRNMAN: Well I better get myself moving. Am running late. Maybe catch you on later

CONSTRNMAN: Naw. Busy worrying that I am late

CONSTRNMAN: Caio for now

CargoPantsDude22: dont go yet man

CONSTRNMAN: Have too been on too long already. Computer will be on though for an hour or so

CONSTRNMAN: Bye!

CargoPantsDude22: :(

Jacksontpa: so would you seriously get into od'ing me oneday and ending it for me later down the line?

CONSTRNMAN: sure as long as there is no trace

CONSTRNMAN: but would have to feel you out first to see how you handle it all etc

Jacksontpa: that rocks def the way i want to go out one day

Jacksontpa: yeh want to a few scenes def before we ever do that

CONSTRNMAN: yup... Allows me time to set the final one up than too

Jacksontpa: and would REALLY LIKE to put guys under with you

CONSTRNMAN: Cool if the timing works out of course!

Jacksontpa: i hope so

Jacksontpa: would be awesome could do whatever the hell we want with them after we get them down

CONSTRNMAN: yup. that is why i love it so much

CONSTRNMAN: can even kill them and they would never know it

CONSTRNMAN: or even fight you

Jacksontpa: can tie them up rape them torture them

Jacksontpa: yeh that would be hot to snuff them out with you and party with him for a day or two first

Jacksontpa: would be easier to follow through on that kind of plan with 2 of us there to take him down

CONSTRNMAN: true. He has no idea once tied and submitted he will be used for a couple of days and than disappear forever

Jacksontpa: would love to have a partner like that to get into trouble with

Jacksontpa: yup and he doesnt even have to know hes going to be used for a couple of days if we set it up right and he thinks he gets to go in a few hours we can change his plans

CONSTRNMAN: yup exactly or pick up a trashed dude in a club and invite him to party a bit with us and take him down. No link to us and no trace

Jacksontpa: thats the way to do it definitely!!!

Jacksontpa: if we got g and x and pot we can get alot of hot boys

Jacksontpa: they will go just to get the drugs

CONSTRNMAN: I have picked yup trashed guys before and played but not taken down. They came willingly and I knew I could just make them disappear and no one would be the wiser

Jacksontpa: yup esp if we get them fucked up at the club and they cant drive - their car stays at the club and no way to get caught

Jacksontpa: you have a house?

CONSTRNMAN: yup to both

Jacksontpa: cool is it kind of far away from other houses so noone would hear his muffled screams?

CONSTRNMAN: Well we drug him enough so he sort of goes out by himself and than we start to strip him and go from there. no noise or fighting

Jacksontpa: and definitely gag him when he's not totally out so he cant scream

Jacksontpa: you got a good place to keep him tied up/restrained?

CONSTRNMAN: yup gag him cause he may pop in and out now and than

CONSTRNMAN: yup sure do

Jacksontpa: cool

CONSTRNMAN: What would you do to him if you had him to yourself for a couple of hours?

Jacksontpa: just 2 hours??

CONSTRNMAN: no I mean if you just were horny and went in to use him for a couple of hours?

Jacksontpa: stretch his nuts really good while he drifted in, fuck the hell out of him put some big toys in his butt

CONSTRNMAN: he is already bound and there a day or so

Jacksontpa: beat him really good with leather

Jacksontpa: see him cry

CONSTRNMAN: screaming in his gag

Jacksontpa: yup

Jacksontpa: torture his whole body

CONSTRNMAN: yup. what body type and age you prefer?

Jacksontpa: young and skinny
Jacksontpa: the younger the better of course
CONSTRNMAN: yup same actually
Jacksontpa: we need to get together and find some boys
CONSTRNMAN: I know
CONSTRNMAN: Can't do it often cause it sets a patern but one every now and than is cool or a young guy who is prone to running away. so they assume that is what he did when he disappears
Jacksontpa: yeah def true about that, we would probly just let them go like we agreed to with 99% of them
Jacksontpa: only when we know we cant get caught
CONSTRNMAN: yup. exactly
Jacksontpa: is it easy for you to get the drugs?
CONSTRNMAN: yup
Jacksontpa: cool we need to get everything we can, g, tina, x, coke pot booze and anything else too
CONSTRNMAN: Find those after hours parties or raves and find the messed up guys walking home or staggering around etc
Jacksontpa: true or at the club
CONSTRNMAN: yup ..
Jacksontpa: would be nice to get some of those rufinols or date rape pills or whatever
CONSTRNMAN: hard to get. Used to be easy
Jacksontpa: yup
CONSTRNMAN: oh well
Jacksontpa: what all can you get?
CONSTRNMAN: alot of what you mentioned
Jacksontpa: cool i can usually get pot at least
Jacksontpa: sometimes x but rare
CONSTRNMAN: pot is what i don't have a contact on
Jacksontpa: and sometimes some like muscle relaxers like xanax
CONSTRNMAN: well if youcould get that that would be great
Jacksontpa: the g and tina work great to bring a guy down with i bet
CONSTRNMAN: g is what works. Not the 'tina
Jacksontpa: cool
CONSTRNMAN: even a big party day is good to get someone. Gasparilla parade days where everyone gets fucked up etc
Jacksontpa: cool
CONSTRNMAN: And private parties all over
Jacksontpa: true
Jacksontpa: they dont even have to know we are going to put them down totally
CONSTRNMAN: we don't even let them know we are doing anything. Think we are straight dudes just looking to party
CONSTRNMAN: and have drugs to party with
CONSTRNMAN: nothing mentioned at all
Jacksontpa: true
Jacksontpa: cool
CONSTRNMAN: They are relaxed and when we get them isolated we make our move
Jacksontpa: and slip them g when we get started
CONSTRNMAN: yup and they may be trashed already so that helps
CONSTRNMAN: say I need to run to my place to pick up more stuff
CONSTRNMAN: We get him inside. He is trashed and not expecting anything
Jacksontpa: and ask if they want to go with us
CONSTRNMAN: yup exactly
Jacksontpa: is x good to help bring him down too?
CONSTRNMAN: or even find 2 young friends. they may go more willingly with thier friend with them
Jacksontpa: true

CONSTRNMAN: not really buit would make them feel good
Jacksontpa: it might get them to go back wiht us tho if they knew we had it at the house
CONSTRNMAN: exactly
Jacksontpa: u always fuck them and cum in their hole when they are out?
CONSTRNMAN: yup I sure do..
Jacksontpa: cool even if they want it safe? thats hot cuz they dont know till later when they get home they got dumped in
CONSTRNMAN: true. Agreed
CONSTRNMAN: Well I am going to get out of here and get some sleep
Jacksontpa: ok bro we need to get together definitely
Jacksontpa: u ever used a syringe on someone?
CONSTRNMAN: for?
Jacksontpa: drugs or anything?
Jacksontpa: could shoot cum in their vein when they are out so they wouldnt even have to be fucked
CONSTRNMAN: Oh you mentioned that before. Nope i haven't but an idea
Jacksontpa: ok
CONSTRNMAN: cool. well will catch up with you again soon than
CONSTRNMAN: Have a good night man
Jacksontpa: bye

TmpaBlues: **AAh okay.. Never been too**
bradenton71: it's not terribly worthwhile
TmpaBlues: **What do you do in Bradenton? Do you have a home or apt or live with your family or your ex etc etc?**

bradenton71: so you get the good stuff
TmpaBlues: Your kidding. Do I have to send it NOT as an attachment?
TmpaBlues: Yup
bradenton71: sweet...try sending just one as an attachment. then send the others seperately.
bradenton71: u smoke it or snort it or what?
TmpaBlues: Let me try it one other way. If not. Am at a loss. Hold
TmpaBlues: I snort it . Am not a smoker but definitely have smoked it numerous times. U
bradenton71: I prefer to snort it, but smoked it this evening cuz that's how my freinds like it.
TmpaBlues: Also have tried crack a couple of times. Always fun
bradenton71: never done that
TmpaBlues: Am not an addictive type dude. I do it for fun and love it
bradenton71: ditto
bradenton71: though once I get going on Tina I can't get enough of certain things: booze, cigs and cock.
bradenton71: u poz or neg?
TmpaBlues: Sent a different way.
bradenton71: cool
TmpaBlues: I love to take advantage of a guy once I get him loaded on my party favors.
bradenton71: totally hot pics
TmpaBlues: I am neg. U?
bradenton71: how hung are you? I'm neg.
TmpaBlues: You got them that fast??
bradenton71: I have a cable connection
TmpaBlues: Am average there guy.
bradenton71: how many inches is average? what all do you like to do to a guy once you get him loaded with party favors?
TmpaBlues: I am an Italian construction guy. I love to rape a dude at least 4 to 5 times in an evening
bradenton71: my top last night came 5 times
bradenton71: :)
TmpaBlues: between 6.5 to 7
bradenton71: that's a good size.
TmpaBlues: I am VERY private since I own (2) construction businesses here
bradenton71: so what party favors you got there now?
bradenton71: u lookin to play now or do you have to go to work?
TmpaBlues: So I like to make a dude disappear for a weekend where my frfiends and his have no clue. We are on our own
TmpaBlues: We just party and have fun. It is only safe, sane but erotic as hell
TmpaBlues: Why do you have so much time available?
bradenton71: <!-- (6:35:06 AM)-->what party favors you got there now?<!-- (6:35:32 AM)--> u lookin to play now or do you have to go to work?
bradenton71: cuz I'm gonna use a sick day at work :)
TmpaBlues: I have a straight friend. 27yo who is my neighbor sleeping in my spare room. He just broke up with his girlfriend
bradenton71: oh, so you can't entertain, eh?
TmpaBlues: He loves gay guys
bradenton71: so you can entertain...
TmpaBlues: I can when he leaves for work about 9
TmpaBlues: He owns the house near me but his girlfriend took it over right now anyway
bradenton71: sweet...(again) what party favors you got there?
TmpaBlues: I do have to work for a bit so that won't work plus I am heading to Orlando tonight till sunday

Jacksontpa: i need to convert me a boy today!!!!!!
CONSTRNMAN: **Go for it man... Get him G'd and take advantage**
Jacksontpa: yup yup i got off in this dude fri night who had never supposedly messed around with guys before
CONSTRNMAN: **Great. How did you get him to let you in?**
Jacksontpa: he was partying at a friends house and he went out on G
CONSTRNMAN: **How did you get him to your place?**
CONSTRNMAN: **did he know you seeded him?**
Jacksontpa: i didnt he was at a friends place
CONSTRNMAN: **Oh you knew the guy too who's house he went out on?**
Jacksontpa: he might have known later in the day but he never really even saw me
Jacksontpa: yup
CONSTRNMAN: **Perfect. I have done that a fewtimes at after hours**
CONSTRNMAN: **So easy to do**
Jacksontpa: its hot man he was like this big muscle dude too
CONSTRNMAN: **How old?**
CONSTRNMAN: **Was there many others at the house when you did it to him?**
Jacksontpa: nope no others but my friend who didnt even know i did it when he went to the store
Jacksontpa: he was like 25 i think
CONSTRNMAN: **Good for you man... I love when they have no idea**
CONSTRNMAN: **Did you strip him naked??**
Jacksontpa: yup me too man thats how i got it when i was 18 so i have to carry on the demons.. nope just pulled down his pants while he was passed out
CONSTRNMAN: **I love it. I once had 3 buds I met at a str8 club come over to party. Got them all to go out on G**
Jacksontpa: SWEET did u get off in every one of them?
CONSTRNMAN: **@ were hot as hell so you know what I did for about 2 hours**
CONSTRNMAN: **2**
CONSTRNMAN: **Took pics etc and then never knew**
Jacksontpa: cool i would have shared the loads between them all even shot them up with a needle
CONSTRNMAN: **What would be in the needle?**
Jacksontpa: cum!!!
CONSTRNMAN: **You are the man**
Jacksontpa: i try dude
CONSTRNMAN: **I did shoot in 2 of them**
CONSTRNMAN: **the other I wasn't interested in but he was okay. I stripped him just to take pics**
CONSTRNMAN: **They were all clothed when they came too in the morning and just thought they had fallen asleep**
Jacksontpa: hot yo ushould have gotten their wallets and names so you could use it against them later
CONSTRNMAN: **I did.**
CONSTRNMAN: **But never used it**

CONSTRNMAN: why draw attention

Jacksonpa: hot

CONSTRNMAN: Was the guy you did the other night str8 or gay?

CONSTRNMAN: Do you like to have the gags,rope used on you while being kidnapped or do you like to do it to others?

Tacrikp: i like to do it to others

CONSTRNMAN: Yup same here. Love setting up kidnap scenes. Unsuspecting guys are the hottest to do it too

Tacrikp: oh I agree...i love to grab an unsuspecting guy...knocking him out then having my way with him

CONSTRNMAN: PERRRFECT

Tacrikp: and personally the more masculine he is the better

CONSTRNMAN: I used to live in the Philly area awhile back. Yup you got it. Str8 is the ultimate

CONSTRNMAN: How do you usually go about getting an unwilling victim?

Tacrikp: College was the best for that...alittle something extra in a beer worked very well

CONSTRNMAN: Actually you couldn't set up a better situation. Already in a building and dorm room or something. no major hassles getting them to an isolated place to work on them

Tacrikp: absolutely...and even if you had to get them out...with guys people just think he drank too much and they never suspect that he's being taken

CONSTRNMAN: Yup. Most aren't or think devious. A big plus for us

CONSTRNMAN: Have you done this to many guys in the past?

Tacrikp: actually only 2 like that

CONSTRNMAN: Did you have them a long time or only like an hour or so? How many in other situations?

Tacrikp: in most cases I had them all night but only had a short time to do anything I wanted to them...as you know most drugs wear off fast or don't keep them completely under

CONSTRNMAN: Yup.. I have kept guys over weekends in the past.. Excellent fun

Tacrikp: wow..how did you get them and keep them?

CONSTRNMAN: I have lost track over the years of how many I have done.. Probably well over 60 to 70. The long term ones were the ones not missed right away and nothing to trace them to me. Like young hustlers or young homeless.

CONSTRNMAN: Always have a good supply of things to keep them in control. Have a great remote building on my property to keep them in, bound, gaged

Tacrikp: oh excellent...i wish i had facilities

CONSTRNMAN: After a weekend of use. I let them go. They are disoriented and don't know who what and where when they do get their bearings back

Tacrikp: do you drug them?

CONSTRNMAN: What do you like to do to the guys once you have them down and submitted?

CONSTRNMAN: Yup like you

Tacrikp: well it depends on the guy...most of the time I like alot of making him service me...suck me off, fuck them..plus lately I have really gotten into humiliation like forced feminization. Just llove the bondage and the feeling of complete control

CONSTRNMAN: Do you keep them blindfolded. Do they know what you are doing to them?

CONSTRNMAN: Can they ID you? Etc Etc

Tacrikp: i try to keep them blindfolded as much as possible...but i love the look in their eyes so i often wear masks to stay unidentified...sometimes they are completly drugged othertimes just tied and gaged nice and tight

CONSTRNMAN: How do you get them without you being identified?

CONSTRNMAN: Are they usually str8 guys

Tacrikp: some are straight some gay...in college they were straight...plus they never know how they got there...lately I have worked mostly with male hookers...like you, as you know they don't like to talk

CONSTRNMAN: Yup... And aren't missed too quickly should you want to keep them awhile

Tacrikp: I havent done a totally real kidnap yet. My fantasy is grab a guy that I stalk...chloroform him and take him ina real scene

CONSTRNMAN: Do you steal them away with your car?

CONSTRNMAN: How old are you and what are your stats?

Tacrikp: yes...i lovea guy in a trunk. I'm 24 6'0 200 brown hair and eyes, goatee

CONSTRNMAN: Cool... How long would you want to keep a guy you kidnap as a fantasy

Tacrikp: I'm not into the whole domination thing where you break a victim and train them to stay....i just want him for a few days to play with

CONSTRNMAN: Yup that was what I meant.

CONSTRNMAN: I can do both but long term is alot of work. After a couple of days. I have broke them enough. Ready for a break and than some fresh meat

CONSTRNMAN: What type of guys you look for? Young, boyish. A bit older?

Tacrikp: i like the idea of maiking them do something the absolutely hate. I like older businessmen types.

CONSTRNMAN: What age range?

Tacrikp: 30-55...I like them older...but not grandpa old

CONSTRNMAN: I love alot of different types. Especially younger looking ones. I have been getting into business types more lately. Str8 and in late to mid thirties

CONSTRNMAN: What a turn on to strip a suit off an unconciuos dude

CONSTRNMAN: Slowly. Take pics at each step

Tacrikp: oh yeah..plus i love the way a suited guy looks tied and gagged in a trunk

CONSTRNMAN: Yup. EXACTLY. A polaroid moment for sure

CONSTRNMAN: Am into feet so love toying with their barefeet in clothes and out of clothes

Tacrikp: i love feet too...but I have a nylon fetish so i love dress socks...and that's how i got into the force fem scene

CONSTRNMAN: Excellent. do you like to rape them too?

Tacrikp: oh yeah

CONSTRNMAN: Perfect... Well if you ever wanted to team up sometime. I would gladly toy with a business type guy who is in his 30's

Tacrikp: definatly easier to grab one with 2 guys

CONSTRNMAN: Oh yeah. No doubt about it

CONSTRNMAN: Makes for alot of fun. Erotic to see how you want to use him and than you can see how I like to use him and what we each want to get out of the dude

Tacrikp: well it's mostly what i want to get on the guy that I enjoy...all over his gagged face and ass

CONSTRNMAN: Excellent. Well I love to seed them myself. Use toys on them. Hear them begging and squirming in their gags and ropes

CONSTRNMAN: Have done autoerotic ejaculations to a couple of them in the past. Easier to do it with another dude

Tacrikp: I would love nothing more than to make a masculine guy cry like a little girl into his gag

CONSTRNMAN: Yup... I think virtually every one I have done is broken when I am done. Only a few didn't get to that point

Tacrikp: you like to breathplay with them?

CONSTRNMAN: Do I ever... Watching their eyes as they come in and out of conscios. Me looking right into theirs. Its amazing the energy you feel from it

CONSTRNMAN: U?

Tacrikp: i love the look of a clear plastic bag pulled tight over a guys face

CONSTRNMAN: I have a gas mask that also allows me to control their breathing

CONSTRNMAN: Oh man you got me going on that one. The look on their faces as they are gasping for air and still seeing you

CONSTRNMAN: Do you take the guy out totally than bring him out of it?

Tacrikp: yes and if they're tape gagged..the way the plastuc pulls tight up their nostrils

CONSTRNMAN: Oh okay... And into their wide open mouths

Jacksontpa: you like 3-ways?
CONSTRNMAN: Not really too much. More into noe on ones. U?
Jacksontpa: ahh.. yeah i like them alot
Jacksontpa: thats why i guess i thought it would be hot with you because i know your intense
CONSTRNMAN: oh got you
Jacksontpa: i think we would be hell on a bottom
CONSTRNMAN: oh man. Want to see him squirm and fight.
Jacksontpa: yup
Jacksontpa: and get used bigtime
CONSTRNMAN: yup just like this guys I mentioned
Jacksontpa: what did you do
CONSTRNMAN: What didn't I do to him
Jacksontpa: ha ha cool how long did you have him?
CONSTRNMAN: over night
Jacksontpa: cool
Jacksontpa: you do him alone?
CONSTRNMAN: yup. I sure did. He was a drunk hitchhiker
Jacksontpa: HOT!!!!!!!!!!!!!!
Jacksontpa: i'm surprised you didnt keep him a long time
CONSTRNMAN: didn't have the time...
Jacksontpa: that sucks but i bet you did him right
CONSTRNMAN: yup. he was so out of it he didn't remember anything
Jacksontpa: sounds like the perfect victim
Jacksontpa: might try and talk you into a 3-way sometime if i can find a hot bottom
CONSTRNMAN: sure why not. what would you want to do to this bottom?
CONSTRNMAN: or how would you want to set it up?
Jacksontpa: well most likely wont be one we can abuse too bad but hopefully one who wants to party and who knows maybe we can convince him to get fucked up enough we could put him down and use him good
Jacksontpa: but if we find one in the right situation the skys the limit
Jacksontpa: one i might find online would most likely be intersted pretty much in a 3-way and not expecting much more
CONSTRNMAN: Sent you a couple of pics of the hitchhiker to give you an idea
CONSTRNMAN: yup!. if you find a really trashed dude or someone who likes to get rewally fucked up we can set it up and get him whacked
Jacksontpa: the guy looks out LOL
CONSTRNMAN: yup. He was completely.. I worked him over VERY well
Jacksontpa: if its someone from online though we cant really go off on him unless he agrees to it ahead of time
Jacksontpa: i bet you did
CONSTRNMAN: oh right. I know...
Jacksontpa: did you put that mask on that guy:?
CONSTRNMAN: yup. Gassed him a bit with ethyl
Jacksontpa: cool
CONSTRNMAN: he was so drunk when I picked him up and gave him a really strong drink which he drank
CONSTRNMAN: He started to fade out on the couch. I carried him to the bed and gassed him. About 10 minutes later I started to strip him down
CONSTRNMAN: He is a straight boy. Had a picture of his girlfriend in his wallet
Jacksontpa: nice
Jacksontpa: get any loads off in his ass?
CONSTRNMAN: He is a perfect Victim like you said
CONSTRNMAN: I could have made him disappear and there would be no trace
CONSTRNMAN: yup a few
Jacksontpa: that would have been really hot i'm sure

Jacksontpa: good
CONSTRNMAN: Think you could handle a scene like that without getting whippy?
Jacksontpa: yeh i know i could
CONSTRNMAN: whimpy. sorry
Jacksontpa: yeh i know its my calling LOL
Jacksontpa: i know you could teach me ALOT
CONSTRNMAN: I know i could. If you ever think you can get a guy by suprise too let me know
Jacksontpa: cool
Jacksontpa: 2 guys makes a kidnapping easier too
CONSTRNMAN: Yup it sure does or easier for a guy to let his guard down as he is drugged or gotten trashed
Jacksontpa: yup
Jacksontpa: i know we could find lots of trouble together no doubt
Jacksontpa: what ages you like the best?
CONSTRNMAN: Varies alot. young is great. Smaller is cool to medium build.
CONSTRNMAN: up to about 30 is great with me
Jacksontpa: cool thats about my limit too
CONSTRNMAN: love blonde blues and than italian looking dudes
Jacksontpa: cool yeh i am open minded but smooth is always hot
CONSTRNMAN: great. Well the guy in the pics I send was a combo
Jacksontpa: yeh
Jacksontpa: you ever talked to this guy bareboy1?
Jacksontpa: i have fucked him alot of times hes a total bottom boy
Jacksontpa: he might be a candidate for you to try out
CONSTRNMAN: not that i recall.
CONSTRNMAN: try what?
Jacksontpa: whatever you want - i know i can get him
Jacksontpa: he just moved back to the area and he likes me alot
Jacksontpa: could easily talk him into a 3-way
CONSTRNMAN: that is cool. What are some of the things he likes or have you done to him or think he would let us do to him?
Jacksontpa: he likes to get fucked alot, made to give head
Jacksontpa: he would agree to being tied up
CONSTRNMAN: Thats cool. Would be fun
Jacksontpa: yeh
Jacksontpa: could blindfold him and tell him i'm going to leave for a few hours and that you were going to use him while i'm gone with him not knowing at all what you were going to do, and i could be here all along to watch
CONSTRNMAN: yup and than I can tell him I am bringing in some friends to use him. Once tied he can't do much about it
Jacksontpa: might at least be a good way for us to get one under our belts together
Jacksontpa: true
CONSTRNMAN: true and you could see what I like to do too
Jacksontpa: yup
Jacksontpa: see you take him down
CONSTRNMAN: yup
